SUMMARY

I am passionate educator with a Bachelor of Education in ICT/Mathematics and a National Teaching Council license. Experienced in promoting STEM education through hands-on ICT and Robotics learning, including leading a fundraising initiative that helped learners build a smart city and hydroponic project, earning second runner-up in a national competition. Skilled in instructional design, digital research, and classroom technology integration, with a strong record of mentoring and leadership. Dedicated to creating inclusive, engaging learning environments that empower students to succeed academically and personally.

EDUCATION

Peki College of Education – Volta Region, Ghana

October 2019 - November 2023

WORK EXPERIENCE

Lead for Ghana Fellow

October 2024 - Present
